

FOR BUILDING UP
THE BODY OF

Christ

2021 STEWARDSHIP APPEAL

RECONNECTING THE CONGREGATION

WE MISS BEING TOGETHER!

One of the hardest parts of the last year has been being separated from each other. Sure, we've been able to still worship, to study, to socialize at a distance and in small numbers, but this has not been the same as being all together in community.

As returning to worship and opportunities to safely gather resume, we will be looking for new ways to reconnect the congregation. We do so knowing that the world around us has changed. We, too, have been changed.

Through the ***For the Building up the Body of Christ*** appeal, we aim to meet the growing and changing needs of our congregation with increased support of \$690 per week. About \$38 per week will intentionally go to further engage the congregation through small groups,

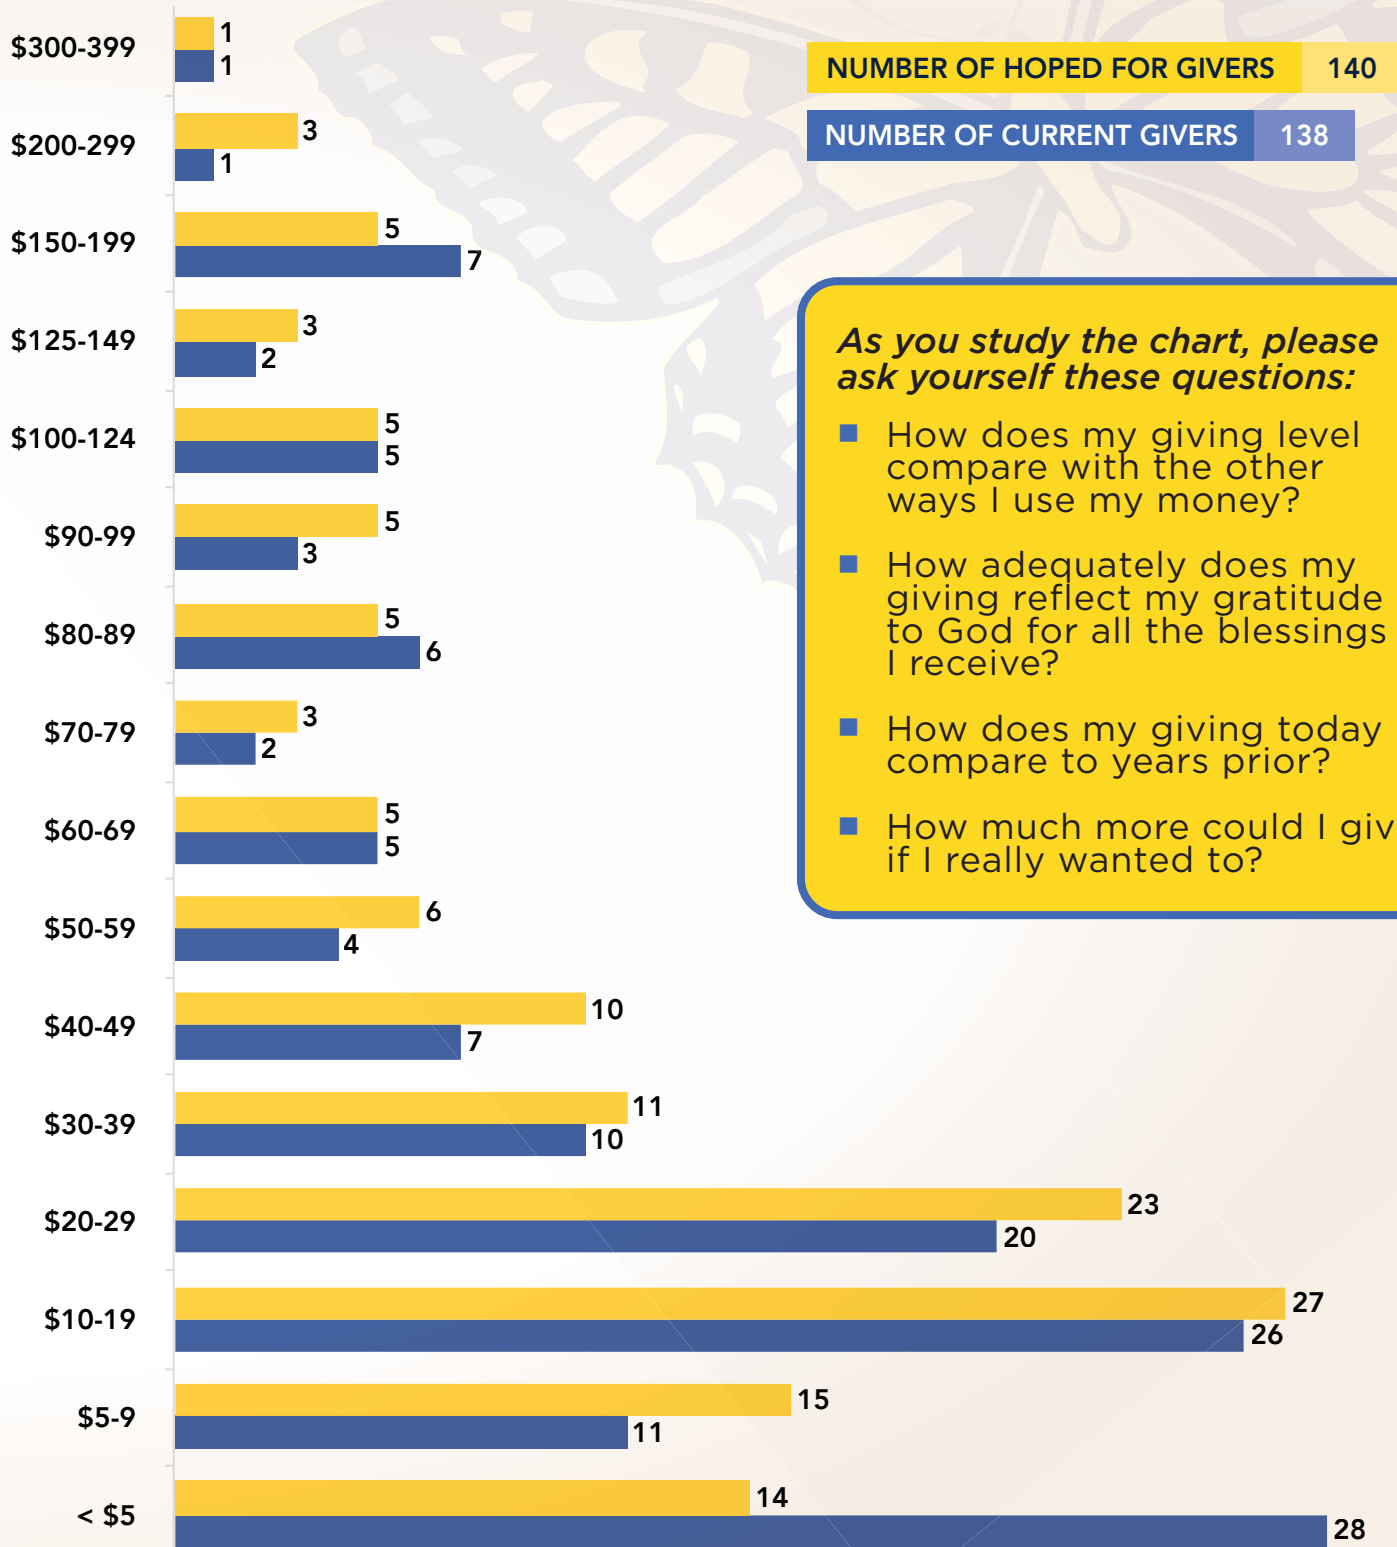

volunteerism opportunities at church and in our community, and all-church social events.

Watch for information coming soon about how you can join in this effort to reconnect the Resurrection congregation. In the meantime, prayerfully consider how God is leading you to respond. Thank you for all the ways you care for our faith community and shared ministry.
