2021 STEWARDSHIP APPEAL

## SUSTAINING MINISTRY EXCELLENCE

As we move into 2021, we recognize that the entire world has experienced a season of pruning and refinement. The emerging new normal will look different and, inevitably, we will look a bit different too. We know it will be important to strengthen and expand ministries in response to the needs of our congregation in the coming year. Ensuring the gains we made in caring for one another through a difficult season is a vital foundation for our future together.

Like every group and organization in 2020, we were compelled to navigate new options and methods to keep our ministries connected to people who need them. Through our efforts, we realized the unexpected value in the ability to reach people beyond Resurrection and connect with people previously kept from us by health concerns or distance. Virtual options for attending worship, faith formation, fellowship gatherings, and meetings will remain a powerful tool

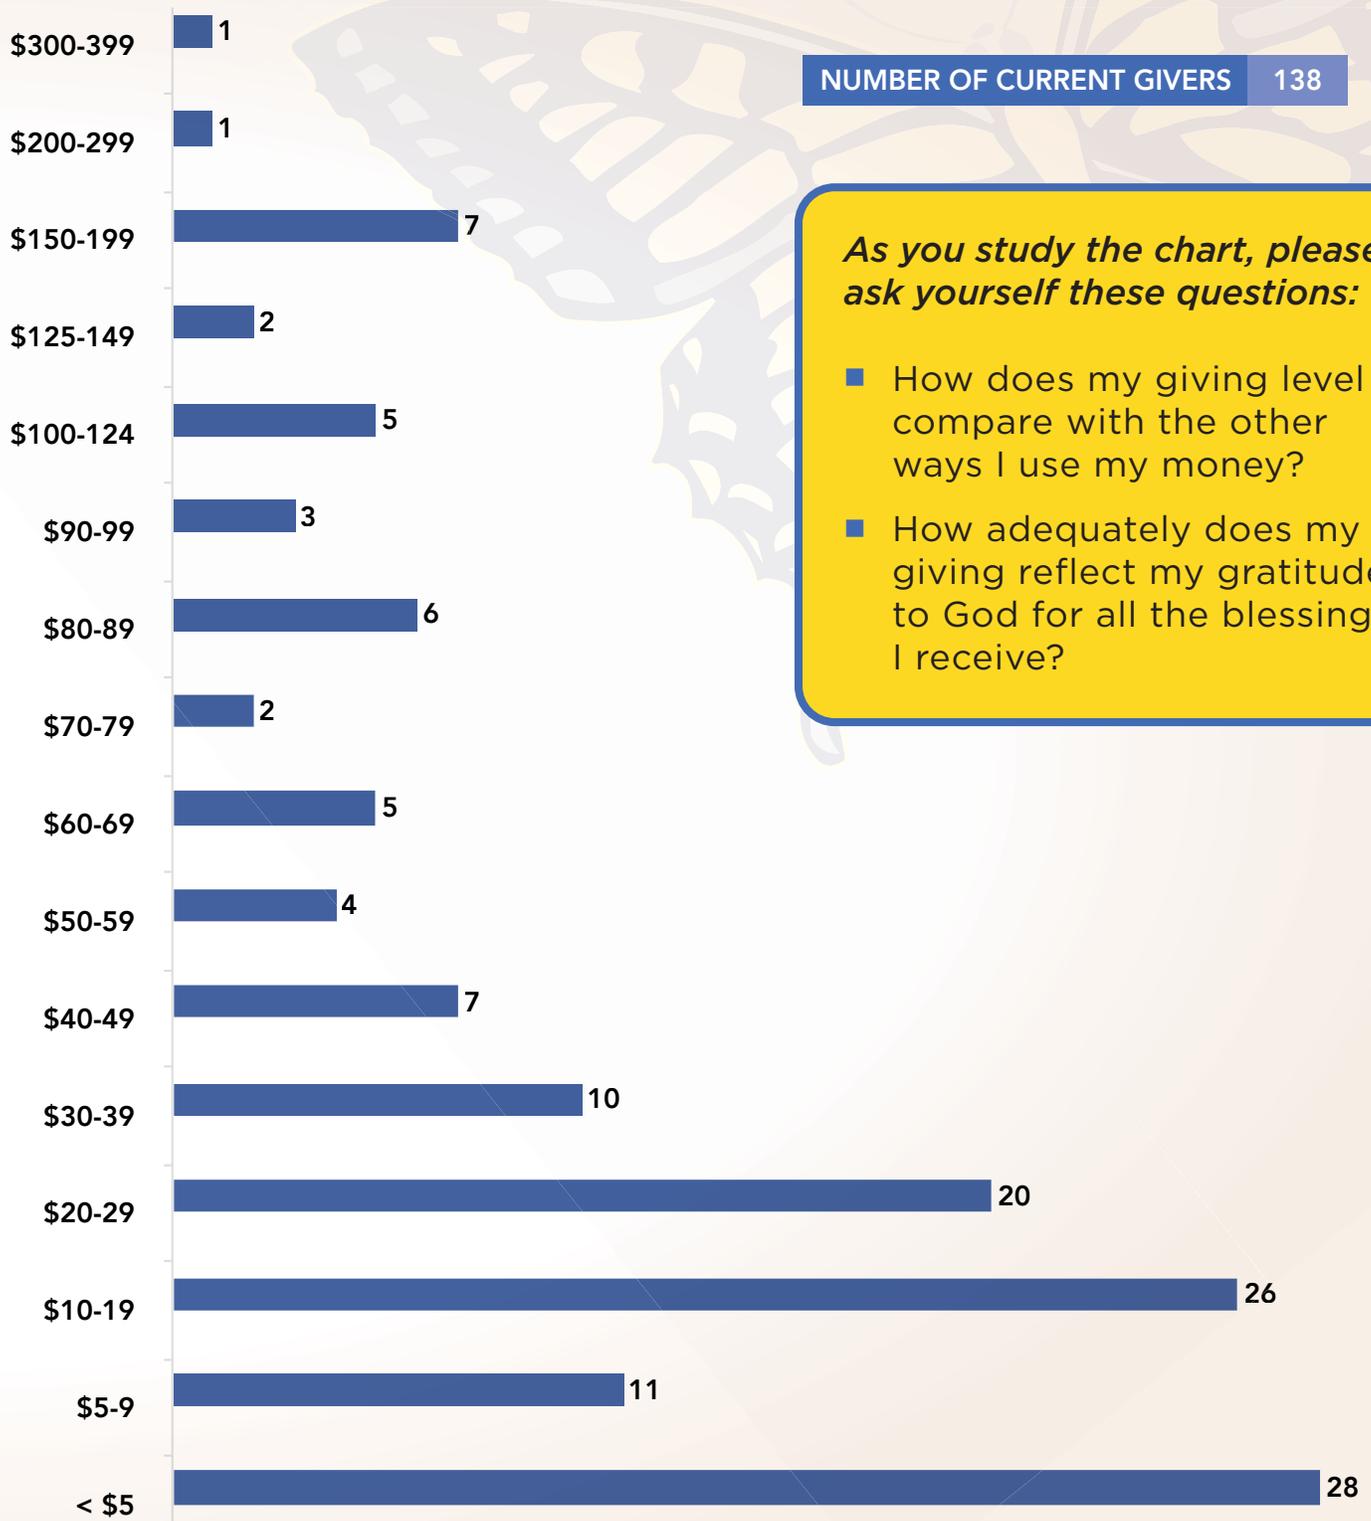

for continuing to connect with one another.

Through the ***For the Building up the Body of Christ*** appeal, we aim to meet the growing and changing needs of our congregation with increased support of \$690 per week. About \$575 per week will intentionally serve to strengthen our ministries, meeting new needs emerging in our congregation and community.

Watch for information coming soon about how you can join in this effort to sustain Resurrection's ministry excellence. In the meantime, prayerfully consider how God is leading you to respond. Thank you for all the ways you care for our faith community and shared ministry.
