

FOR BUILDING UP
THE BODY OF

Christ

2021 STEWARDSHIP APPEAL

ENGAGING OUR NEW NEIGHBORS

For the first time since leaving our house at Cook and Coldwater, we are once again a neighborhood church! New neighbors are filling in all around us. Some may be looking for a church home, others may not — at least not at first. But we know that being in community with one another matters. We have certainly witnessed this personally and collectively throughout the last year.

Through the ***For the Building up the Body of Christ*** appeal, we will engage with the local neighborhood in a variety of ways as pandemic restrictions lift in the coming year. Welcoming them to our park, inviting them to visit, sharing our spaces are the first steps of a good neighbor. An increase in church giving of about \$77 per week will renew our Evangelism Team and empower all of our ministry teams to creatively engage with neighbors of all ages. In our pursuit to be an example of God's

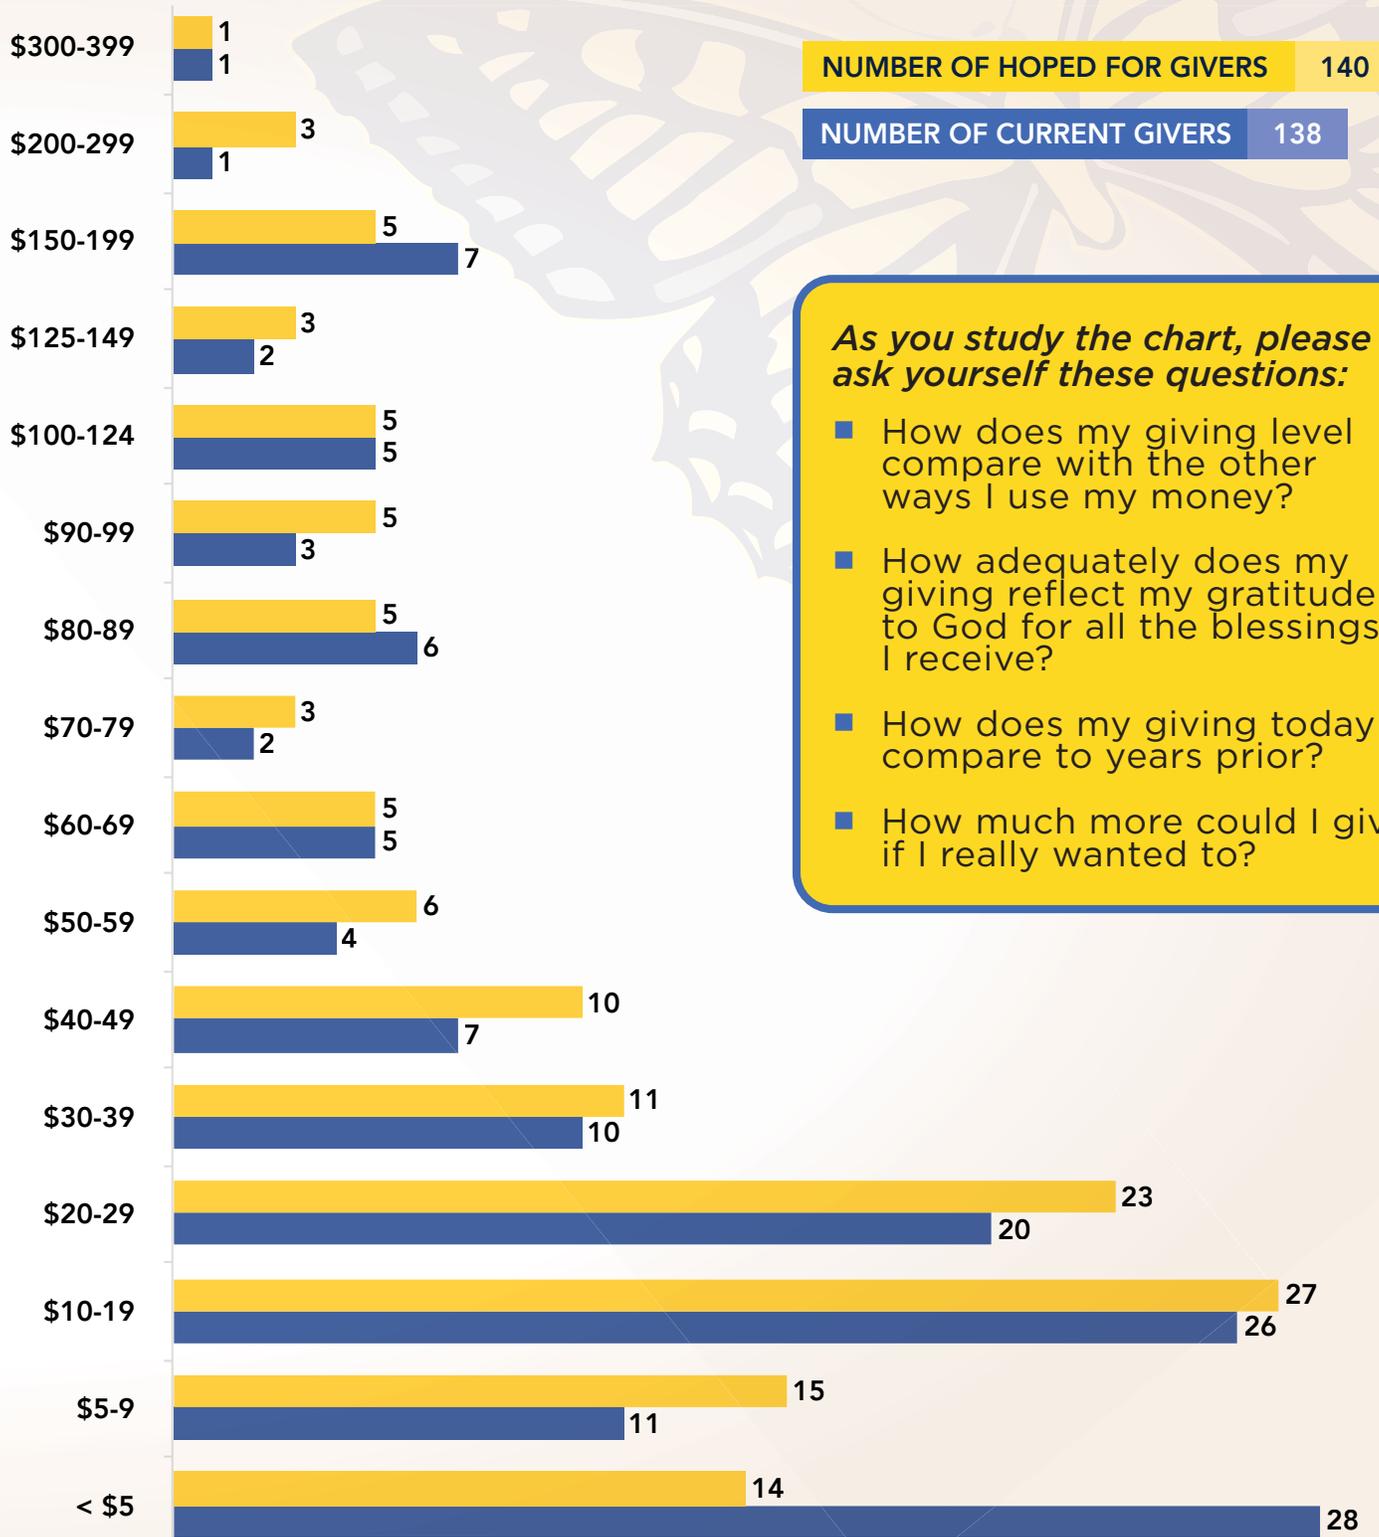

love and grace to all, this begins with each of us and with those local to us.

Watch for information coming soon about how you can join in this effort to engage our new neighbors. In the meantime, prayerfully consider how God is leading you to respond. Thank you for all the ways you care for our faith community and shared ministry.

As you study the chart, please ask yourself these questions:

- How does my giving level compare with the other ways I use my money?
- How adequately does my giving reflect my gratitude to God for all the blessings I receive?
- How does my giving today compare to years prior?
- How much more could I give if I really wanted to?
